

Centerstage Adventures

Creative Theatre and Acting for Youth!

Centerstage Adventures is a performance-based Creative Theatre program focused on acting for the youth. Students will spend **12 weeks** exploring the art of acting and other creative aspects in the theatre. Through fun theatre games and acting exercises, we will teach the importance of theatrical art at an age appropriate level. This program includes the instruction of Acting Fundamentals, Beginning Improvisation, and an optional Song & Dance unit. Our goal is to promote confidence and empower the young actors, while encouraging exploration, in a structured environment. This program also offers performance opportunities in our black box space. In a private showing, students will apply what they have learned and perform for friends & family.

Our program features high quality instruction. We accept all enthusiastic 7 to 10 year-olds! No previous experience is required. The program meets each Saturday from 1:00 PM to 3:00 PM beginning September 25th. Pacctheatre@yahoo.com for more info

Tuition: \$250 (with \$25 Registration Fee)
Registration begins June 7 and concludes Sept. 20
Min. Students: 10 ~ Max. Students: 20
